HOW TO PLAY

GRAND DRAWING TRADITION

Welcome to our Signature Grand Drawing and your chance to win one of TEN amazing Grand Prizes!

This is how it works:

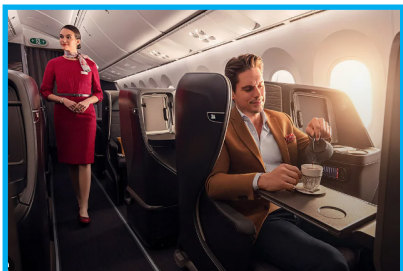

- Each guest with an entry into the Grand Drawing is assigned a ball number which is recorded and put into our bingo machine.
- We will draw numbers throughout the evening, announcing out loud and projecting eliminated names on the screen. **If you hear & see your name - YOU ARE OUT!**
- Our GRAND PRIZE WINNERS will be drawn at the end of the program after all other entries have been eliminated. Winners will be announced in the order the entry is drawn and will be asked to pick their prize and head to the dance floor to celebrate!

GOOD LUCK & HAVE FUN!

*Please be ready to select your Grand Prize by marking your program guide 1-10 in the order in which you would choose your prize.

FLY ANYWHERE IN THE WORLD WITH TURKISH AIRLINES - TAKE A CHANCE AT OUR RAFFLE!

Take a chance to win (2) Business Class Tickets to anywhere in the world* with Turkish Airlines! One lucky winner will be drawn to win this incredible prize! Chances are \$100 each. You can purchase a chance from one of our teen members or by selecting the raffle button on your mobile device.

#WeAreDorchester

Boys & Girls Clubs of Dorchester (BGCD) serves one of the most diverse zip codes in the United States. Our members range from 2 months to 18 years of age, and come to our three Dorchester clubhouses and engage in 200+ programs and activities every year.

CONSISTENCY & TRUST

BGCD has proudly served generations of our neighbors and made a lasting, positive difference for thousands of children and families. Our award-winning programs and dedicated professional staff offer the very best in early education and care, youth development and family support.

GENERATIONAL COMMITMENT

Boys & Girls Clubs of Dorchester first opened in 1974, thanks to the foresight and generosity of several Dorchester families, most notably Daniel and Robert Marr. Hundreds of our young people are 2nd and 3rd generation "Club kids," and several staff were members before joining our professional ranks. For nearly 50 years we've provided a safe haven for our community. With your help, we'll carry on this proud tradition for the next 50 years.

A LOOK INTO BGCD'S TEEN PROGRAMMING

BGCD offers a fun and safe place for teens to spend their time with friends under the supervision of caring adults. Each program is designed with the teens in mind, helping to build character, promote leadership development, and promote prevention of youth violence.

BGCD's established **Keystone Club** tries to build leadership skills while serving the community via a variety of club and community based service projects.

Power Forward, our College & Career Prep programming for Grades 8-12, empowers each participant to apply, enroll, and successfully transition into their individual post-secondary futures. Youth explore four-year universities, community colleges, the trades, industry-recognized job training programs, police cadet programs and the military. Our inspiring Career Cafés feature guest speakers from local businesses, unions, biotech and healthcare industries, police, and academia. This well-rounded curriculum touches upon everything from college essay preparation and resume-building to attaining scholarships and financial literacy through EVERFI.

Our **on-site employment** for teens includes 90 young people who worked on-site during Summer 2023, and approximately 30-35 are serving as school-year junior staff. Of our school-year junior staff, about 20 individuals are duplicates from the summer session and 10-15 are newly enrolled participants.

Safe Summer Streets, Boston's first nighttime teen summer program, promotes youth violence prevention, character building and leadership development. It offers teens a fun way to spend their summer through an engaging mix of drop-in activities, field trips, and free time with friends, all under the supervision of caring adults. We extend our operating hours until 10:00 PM weeknights in July and August and give kids a ride home at the end of the night to keep them safe during the high-risk evening hours.

This Summer, BGCD introduced the **TRU (Teens Rising Up)** program to our group of Career Prep members. This group of 14 & 15 year olds were introduced to the workforce with training, volunteer opportunities, assisted at large special events, and attended sessions to build the skills needed to succeed in the workforce.
