OUR STORY

BGCD is an award-winning youth development organization that provides a safe haven and life-enhancing programs to over 4,000 under-served youth each year. We are a chartered affiliate of Boys & Girls Clubs of America, and are independent of other Boys & Girls Club organizations in the Boston area. We have three clubhouses in Dorchester serving the community and surrounding towns and neighborhoods.

BGCD serves youth ages 5-18 and offers over 200 programs in art, education, music, film, college and career preparation, character and leadership development, health and life skills, athletics, aquatics, and social recreation. Youth pay just \$5 in annual membership dues, with scholarships available to those in need. We also serve children as young as 8 weeks old through our licensed Early Education and Care programs, which offer quality, affordable infant, toddler and preschool options for our community. We welcome children of all backgrounds and abilities. Ours is an inclusive environment in which every child is encouraged to succeed.

Our Partnership with Rodman Ride for Kids

For over 30 years, the Rodman Ride for Kids has been the #1 one-day athletic event supporting kids in the nation and this year is no different!

BGCD has participated in the Rodman Ride for Kids every year as a Charity Partner. We ride because we know we have friends like you who are committed to helping kids. Rodman for Kids' beloved founder, Don Rodman, taught us how important it is to give what you can and do what you can to help support kids. This year the Ride will be held on May 17th, but you can start now! You can participate by choosing to ride 25 miles, 50 miles or choose your own adventure and joining our team.

When you participate in the Rodman Ride for Kids and help raise funds for Boys & Girls Clubs of Dorchester, 100 percent of your donation will directly benefit our members!

We ask that you sign up today and do what you can to support our Club and families. Thank you!

Fundraising Ideas

WE ARE HERE TO HELP AT BGCD! Here are just a few suggestions for how to get started:

Create a QR Code or Use Venmo

Texting your friends a link to a QR Code or to your Venmo account is a really easy and effective way to gather donations. For example, "Please consider donating to my Rodman Ride for Kids [Personal link]."

Work

Don't be shy about asking your colleagues at work to help. It's as simple as sending an e-mail to your group with some photos, information about Boys & Girls Clubs of Dorchester and your personal link.

Fitness/Cooking/Paint Night Class Offering

Do you teach fitness classes? Know how to cook a delicious meal? Know a creative painter? Teach a program and have participants donate to your page to take part in your online class.

Pick My Playlist

If someone donates \$10, they can choose any song and you will have to add it to your ride playlist.

Dare Me

Embarrassing yourself in a way that is funny for both you and others is actually a great way to secure donations - if someone donates "x" amount, you will do the dare and post the video on social media for all to see. For example: If you donate \$100, I will learn and post a TikTok dance.

50/50 Raffle

You/your team can host a 50/50 raffle online with GoFundMe or something similar.

Social Media

Share BGCD's posts on social media and ask your friends and family to donate to a cause important to you, and include your personal link. Examples below!

* If you need any event support, please contact Patty Lamb at plamb@bgcdorchester.org

Sample Email for Individual Riders (Make as personal as possible!)

Dear <Name>:

On Saturday, May 17, 2025, I will be participating in the 35th Annual Rodman Ride for Kids on behalf of Boys & Girls Clubs of Dorchester (BGCD). The Ride for Kids is an umbrella charity raising funds for youth-focused social service organizations that support at-risk kids in Massachusetts. Over the past 34 years, BGCD has raised over a million dollars through the Rodman Ride for Kids campaign, through the pedal power of their riders and supporters.

I have pledged to raise <your goal> for BGCD through the Ride and your donation of any amount will help me reach my goal. Keep in mind that many companies match donations as well, so please check to see if your donation would be eligible for a match from your workplace! I am fundraising for BGCD because:

<Tell your personal story, such as:

...I attended as a child...

...I have volunteered/supported the Club...

...I know kids who are members there...

...these children are very important to me because...

The more personal, the better!>

Boys & Girls Clubs of Dorchester serves more than 4,000 young people each year at three sites in Dorchester, providing children of all abilities a safe, positive place to go after school and throughout the summer. The Club offers more than 200 programs in education, social recreation, athletics, art, aquatics, music, teen programs and more. Members pay an annual membership fee of only \$5, ensuring that no child is left out due to financial constraints.

Boys & Girls Clubs of Dorchester needs our support now more than ever. If you would like to support BGCD through the Ride for Kids, please visit my fundraising page at <Team URL>.

Thank you so much for supporting me– together, we can make a difference for these deserving kids!

Sincerely,
<Your Name>

Sample Email for Corporate Teams

Dear <Name>:

I am writing to ask your support for the Rodman Ride for Kids. The 35th Annual ride is taking place on Saturday, May 17, 2025. We hope to bring together participants who will bike either 25 miles, 50 miles or choose their own adventure, in support of the thousands of children in need by raising money through pledges. This year, I will ride with a group of fellow employees whose goal is to raise funds for Boys & Girls Clubs of Dorchester.

Since its founding in 1991, Rodman Ride for Kids has raised over \$150 million dollars for dozens of charities serving at-risk kids. In 2024, this event raised over 2 million dollars, and 100 percent of every donation goes to help these young people.

<Company name> is putting together a Ride team, and we hope to raise <goal>. Keep in mind that many companies match donations, so please check to see if your donation is eligible for a match from your workplace!

The hardest of times bring the greatest of needs. Your caring does make a difference. I would be grateful if you would consider sponsoring our ride by making a tax-deductible donation and sending a check made payable to The Rodman Ride for Kids/BGCD in the enclosed envelope, or by making an online donation on our company page at <Team URL>.

Your support could not come at a better time for an organization that is working hard to improve our community through the lives of thousands of children. We thank you in advance for your consideration.

Sincerely,
<Your Name>

P.S. If you would like to know more about this event, check out www.rodmanrideforkids.org and www.bgcdorchester.org.
