# GRAND DRAWING RULES

Welcome to our Signature Grand Drawing and your chance to win one of TEN amazing Grand Prizes!

## How it works:

- Each guest with an entry into the Grand Drawing is assigned a ball number which is recorded and put into our drawing system.
- We will randomly draw numbers and eliminate names that will be shown on the screen. **If you see your name - YOU ARE OUT!**
- If your name has not been shown, you are a GRAND PRIZE WINNER! Winners will be announced in the order the entry is drawn. Each winner will be asked to pick their prize till all the prizes are claimed!

## GOOD LUCK & HAVE FUN!

\*Please be ready to select your Grand Prize by marking your program guide 1-10 in the order in which you would choose your prize.

# BIDS FOR KIDS

YOUR GENEROSITY IMPACTS OUR MEMBERS IN SO MANY WAYS! HERE ARE JUST A FEW EXAMPLES:

**\$25,000**

Can provide tutoring, homework help, and literacy or STEM enrichment for 50-100 members for a full school year.

**\$10,000**

Can allow us to purchase new computers, tablets, or software for digital learning labs.

**\$5,000**

Can help provide music, arts and digital media programming for 25 members for a full school year.

**\$2,500**

Can help provide one member with access to 200+ programs for an entire school year.

**\$1,000**

Can help purchase STEAM Program materials like drone kits, coding software and music production machines.

**\$500**

Can allow us to purchase school supplies like notebooks, pencils and calculators for 25-50 members.

**All gifts, large and small, create brighter futures for our kids!**

# LAUNCHING BRIGHT FUTURES FULL S.T.E.A.M AHEAD

At Boys & Girls Clubs of Dorchester (BGCD), S.T.E.A.M — Science, Technology, Engineering, Arts, and Mathematics — is central to our mission of creating bright futures for every child and teen we serve. Through hands-on learning, we spark curiosity, foster creativity, and equip youth with the skills to succeed in school, careers, and life.

BGCD's S.T.E.A.M initiatives are woven into a variety of programs that ensure all members, from young children to teens, have access to enriching educational experiences. By encouraging critical thinking, problem-solving, and collaboration, our programs prepare youth to navigate the challenges of a rapidly evolving world.

## Key S.T.E.A.M Offerings:

- **Academics:** Our academic support programs provide tutoring and enrichment, including 3D printing, coding basics and circuit-making, helping youth achieve academic success and build a strong foundation for the future.
- **Social Recreation:** Activities like board game tournaments, coding clubs, and video game challenges build strategic thinking, teamwork and decision-making skills, giving members tools for academic and personal success.
- **Fine Arts:** Programs in photography, painting, dance and music nurture creativity while strengthening cognitive and motor skills, preparing members for bright, innovative futures.

BGCD is committed to making S.T.E.A.M learning accessible to all. With a \$5 annual after school membership fee, youth gain access to over 200 programs annually, ensuring that every child has the opportunity to explore, learn, and thrive. Through our comprehensive programming, we are empowering youth to imagine, create, and achieve bright futures.
